TRAINING ANNOUNCEMENT

To: Shenandoah Co. Fire and Rescue Agencies
From: Bill Streett – Training Section Chief
Date: February 17, 2012
Re: EVOC – Class I, II, and III

Shenandoah County Dept. of Fire and Rescue, in conjunction with the Virginia Department of Fire Programs, will be sponsoring an Emergency Vehicle Operator Course for Class I, II, and III apparatus. This certification course is designed to acquaint students with the theories and practices of emergency vehicle operations, and explain the differences between emergency and non-emergency driving. **This course DOES NOT teach students how to drive - student should have adequate driving experience, in the vehicle type and classification which he/she attempts to gain certification in, before taking this course.**

Location: Edinburg Volunteer Fire Company
200 Stony Creek Blvd
Edinburg, VA 22824

Dates: May 5th and 6th

Instructors: Bill Streett – Training Section Chief
Shenandoah Co. Dept of Fire & Rescue

Times: Class begins at 08:00

Cost: NONE

Prerequisites: Must be 18 years of age with a valid driver's license.

Registration: Anyone interested in attending shall submit a completed training request form by April 30th. Forms can be downloaded from our website or obtained by calling (540) - 459-6167.

Special Note: Students are expected to bring, or have prior approval to operate, apparatus within the classification they wish to certify, for the practical exercises on May 6th.
